

Making Great Leaders

Transformational Leadership

That Lasts

Build Culture

INCREASE TEAM PRODUCTIVITY

We provide senior management teams the tools and strategies to build a successful culture in global organizations, increasing efficiency, innovation, and productivity.

Build New Value

INCREASE REVENUE

Our programs & processes are designed to enable managers to become more strategic leaders creating new value for themselves and their organizations.

Collaborative

PARTNERSHIP

We can only be successful when our clients and their managers collaborate with us to find unique solutions that work in their business. Culture building and transforming leadership is not a cookie cutter process, it requires attention over time.

What we do

Open the box

Get a tool kit that works!

Our solutions solve everyday problems that effect productivity and leadership culture

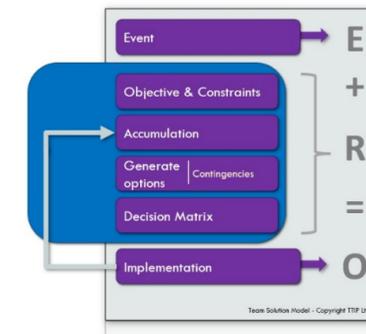

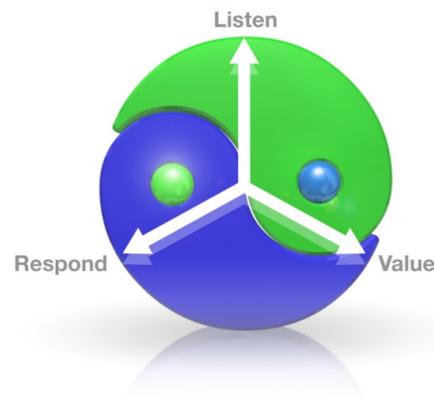

We have developed and refined leadership tools for *managers and their teams* that really work!

In addition to using real-world experiential workshops to on-board new leadership practices, we go further by tailoring follow-on support, that includes consulting, coaching, and mentoring to enable each leaders to implement change successfully in the workplace.

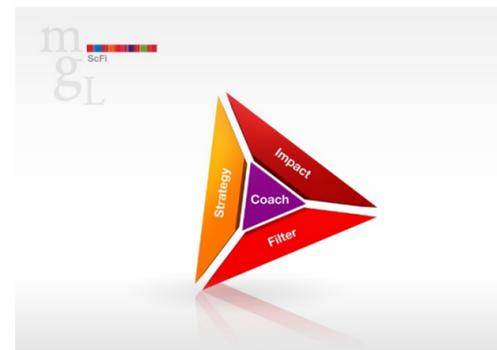

Use tools to change behaviour

Strategic Leadership

Sales Leadership

3 Pillars of Sales

$$C+E+I=W$$

Helm & Prop

The Sum is Greater than its parts

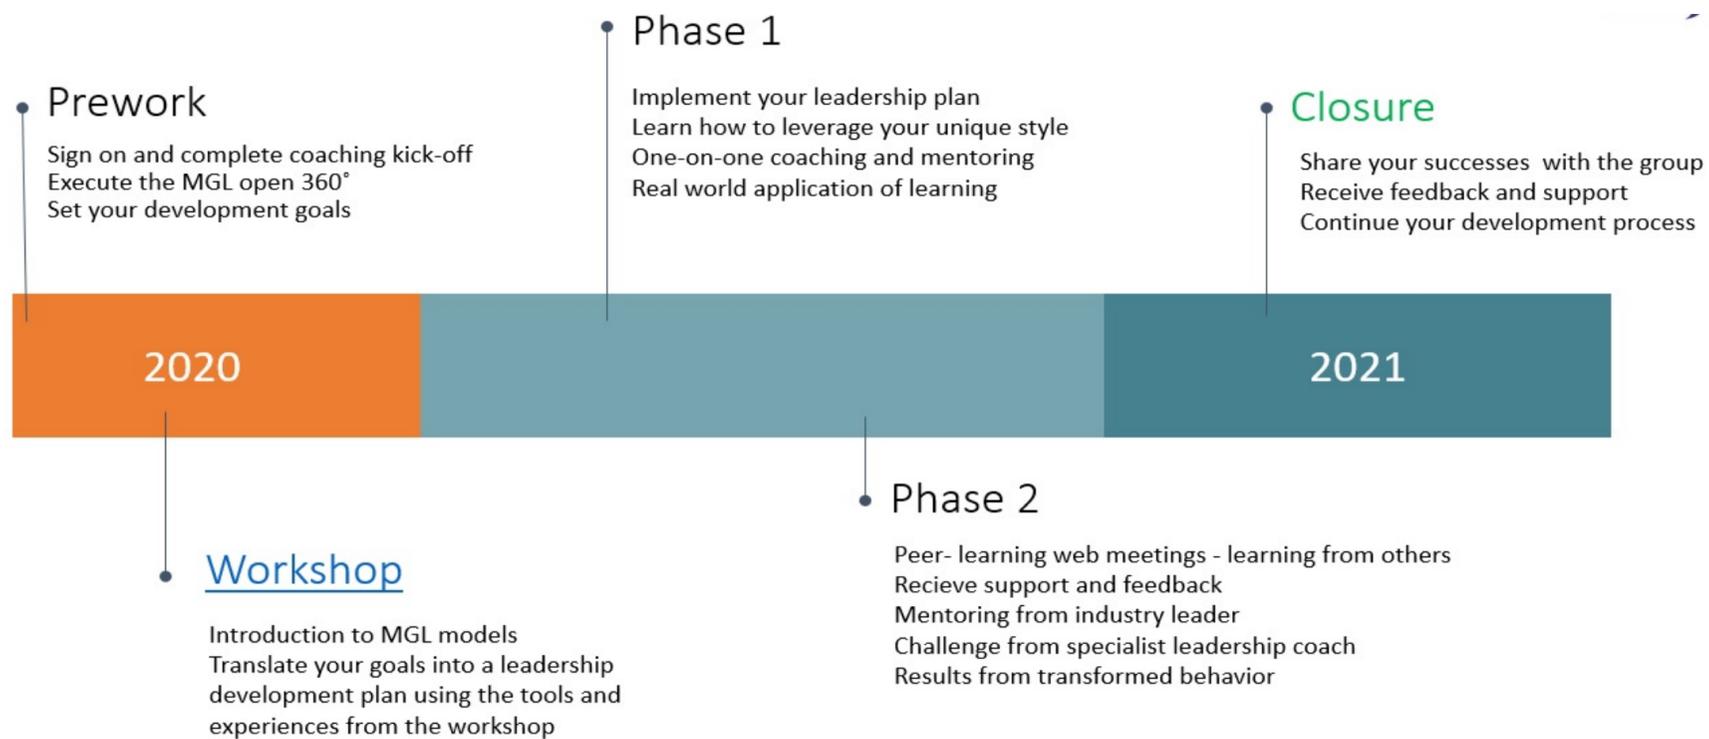

**MAKING
GREAT
LEADERS.**

Coaching is a collaborative process that produces extraordinary results when everyone is committed to open and honest discussion about change.

Success is in the process of ongoing learning supported by **mentoring and coaching** to build the culture of leaders.

What leadership style is the
most successful?

Just one! **Your own.**

The key to changing the value others place on you is learning **to lead with your Authentic style**, amplifying your strengths, experiences and imagination.

WHY partner with Making Great Leaders?

the value **you create**

MGL has helped 5000+ managers become great leaders, build culture, execute better strategies, and grow their organizations bottom line.

Our Values

Human Experiences

Creativity

Honesty

Fun.
